Dear PRAGYAN Organizing Team,

I hope this email finds you well.

We are a team of four members and have successfully registered for the PRAGYAN'26 AI- Hackathon organized by NIT Trichy. We are writing to kindly request a confirmation or proof of our registration for the hackathon, as the same is required for official/reference purposes.

For your reference, our team details are provided below:

Team Name: Errorists**Team Members:**

1. Advait Balachandar
2. Rohan Mathur
3. Prayatshu Misra
4. Shreshth Kabra

If possible, we would appreciate it if you could share a confirmation email, acknowledgement, or any document that verifies our team's registration.

Please let us know if any additional details are required from our end.

Thank you for your time and support. We look forward to participating.

Warm regards,
Advait Balachandar
